

Membership Form

The GTA highly values its members; financial dues and strength in numbers accrue from a healthy membership base.

Decide the membership category that is best for you, and send the completed membership form and the check to the GTA office as specified on the application form.

Dues are prorated based on the number of months remaining in GTA's fiscal year, which is July 1 through June 30 annually. The 15th of the month is the marker to determine if the current month is included in the prorating.
